Animal Rights International

September 21, 1995

John Palmer
Executive Director
Helen Keller International
90 Washington Street
New York, NY 10006

Dear Mr Palmer,

In thanking you for your prompt action, I'd like to emphasize that your concerns and our concerns are not mutually exclusive. To me, at least, your organization is stronger and more credible today than last week. As a token of support for your admirable work I enclose a small personal contribution.

Wishing you much success is

Henry Spira
