The next few questions are about animals, specifically farm animals like cows, chickens and pigs.

1. People have different views about animals. Some people feel that since animals raised for food are going to be slaughtered anyway, it really doesn’t matter all that much how they are treated. Other people feel that animal pain and suffering should be reduced as much as possible, even though the animals are going to be slaughtered. Which view is closest to your own view? (REPEAT CHOICES AS NECESSARY)

   5%  SINCE ANIMALS RAISED FOR FOOD ARE GOING TO BE SLAUGHTERED ANYWAY, IT REALLY DOESN’T MATTER ALL THAT MUCH HOW THEY ARE TREATED

   93% ANIMAL PAIN AND SUFFERING SHOULD BE REDUCED AS MUCH AS POSSIBLE, EVEN THOUGH THE ANIMALS ARE GOING TO BE SLAUGHTERED
